WOW - Women on Wednesday Autumn Programme The Beatitudes

This term we are going to study together 'The Beatitudes' found in the Sermon on the Mount that Jesus taught His disciples. He spoke this sermon to those who were already His followers, and therefore also citizens of God's kingdom and the children of God's family. It describes the kind of people reborn Christians are, or should be striving to be. The beatitudes set forth the blessings God gives to those He loves, through His grace. We should strive for people to see evidence of what God's grace is to us in our daily lives as we live for Him. Pray for this coming term, that we will apply what we learn to become more Christ like in our words and actions.
